Adult

The Level 2 Professional Cookery is aimed at learners that are looking to start a career in the Hospitality and Catering industry.

If you want to work in a fast-paced, action-packed and creative industry then look no further than a career in catering. The opportunities for career progression in this industry are some of the best. From commis chef to sous chef, all the way up to head chef, if you are willing to put in the hard work you could be running your own kitchen in a few years' time.

As a nationally recognised Centre of Excellence in three disciplines, and AA Highly Commended College Rosette Restaurant winner, there really is nowhere better to study catering and hospitality.

You will start your catering studies on our Level 2 course depending on your GCSE results and skills test. From here, you can then progress on to our Professional Cookery Diploma Level 3.
