

Introduction to Art for Wellbeing

Adult

On this course you will be able to explore a variety of methods and techniques using natural dyes and resources as well as traditional resources to produce creative artwork and develop your skills through observation and experimentation.

You will develop an understanding of colour theory, painting applications and drawing skills.

The course runs in our new classrooms at the Duchy College Rosewarne campus.

The Road to Wellbeing courses are relaxed and informal, enabling you to improve your wellbeing and mental health, building your self-confidence and self-esteem. Attending our classes is a great way of meeting new people, making friends and developing personal and vocational skills.

Duration - 8-12 weeks – half a day per week either morning or afternoon.

You will be expected to attend each week.
