

Introduction To Microsoft Software Basics (Evening)

Adult

Leisure and Professional

During this short course you will learn to use Microsoft Word, PowerPoint, Outlook and Teams. You will communicate, navigate and design projects using these software. Besides being a generally helpful tool, the Microsoft program offers many benefits applicable to both in your current workplace and your future job search.

No previous knowledge necessary, please bring a memory stick, note pad and pen with you.

You may be eligible to do this Tailored Learning course/workshop for free, or at a reduced fee, if you are 19+ as of 31.08.25, have been a UK/Ireland resident for the last 3 years, have not done this or a similar course/workshop before and have not done/booked on more than 2 Tailored Learning courses/workshops already for this academic year 2025/26 with The Cornwall College Group. Any material fees for courses/workshops will be payable in full. All fees payable when booking.

This course runs on a Tuesday evening from 6.00pm to 8.00pm for 3 weeks.
